For example **AMERICAN NUMISMATIC SOCIETY NEWSLETTER** is the whole title and is entered as such, but **NEWSLETTER**. The Journal of the London Numismatic Club will be entered as **NEWSLETTER** with a cross reference from LONDON NUMISMATIC CLUB.

Note: Numismatische Hefte is an umbrella title
 for a variety of publications. Published under
 this title are monographs, exhibition
 catalogues, the Jahrbuch des Arbeitskreises
 Thüringer Münz- und Geldgeschichte, and also
 conference proceedings of the Fachgruppe
 Numismatik Rostock. For individual
 monographs and exhibition catalogues **see**
under author or series in the on-line
 catalogue. Individual numbers have been
 published in different places and there is little
 correlation between number and date. This
 explains why the arrangement below is in
 number, not date order.
