

SPINK TAKE ON DISTRIBUTION OF BRITISH NUMISMATIC JOURNALS

Spink and Son Ltd have recently co-published with the British Numismatic Society (BNS) a number of superbly researched and written works relating to British Coinage in the Society's *Special Publications* series including Harrington E. Manville's *Tokens of the Industrial Revolution*, Dr. Martin Allen's *The Durham Mint* and Richard Doty's *The Soho Mint and the Industrialization of Money*. Spink also distribute these titles for the BNS and they are available as below.

This relationship has paved the way for Spink to distribute for the Society the remaining back numbers of the *British Numismatic Journal*, published by the Society since 1903/4 and containing principal contributions to research, short articles and notes on British numismatics.

The volumes which are currently available are as follows and the key articles of interest in each volume have been noted. Each volume also contains other papers as well as short articles, notes and reviews.
