The Fancy Dress Party

You are going to a fancy dress party. Look at the paintings to find your costume and draw it in the box. You can choose parts of your costume from different paintings.

Be a Portrait Painter for a Day

Artists have to practise a lot to get really good at drawing people and faces. In the boxes below copy parts of people from the paintings. You can choose one picture for an eye and another for a nose, and so on.

The Interview

In your group, choose a portrait to interview. You have only 5 questions, so think carefully about what you want to know. Your adult helper can write the questions for you. Try to work out the answers by looking closely at the painting, and also by using your imagination.
