# MAKE!

Fitzwilliam Museum Youth Art programme

11 -13 years

Develop your own Art ideas & projects  
in our art studio with guest artists each month.

## Autumn Programme

Saturday 22 September 2-4pm

### Print it

Get inspired by the RE print exhibition *Print Rebels* and then join our artist print maker Hideki Arichi to make your own drypoint prints in the studio. *Guest artist Hideki Arichi*

Saturday 20 October 2-4pm

### Fantastic Creations

Love jewellery and 3D making? Create your own sculptural jewellery with our Royal College of Art Jeweller Iona McCuaig. With lots to get your design ideas started with a visit to our special Jewellery exhibition. *Guest artist Iona McCuaig*

Saturday 17 November 2-4pm

### Instant photoprints

Experiment with cyanotype to create your own effective instant photoprints. With examples of this atmospheric technique used by artists as part of *Virginia Woolf: an exhibition inspired by her writing*. *Guest artist Caroline Wendling*

Saturday 15 December 2-4pm

### Face Up

Learn more and improve your portrait drawing skills in conte, a medium similar to pastel with a study of portraits in our special exhibition from the *Sir Ivor and Lady Batchelor bequest*. *Guest artist Caroline Wendling*.
